Description

The Vistosi Lio Table Lamp P belongs to the Lio collection designed in 1972. It combines blown crystal glass with white glass in a restrained, calm form. The metal fitting in satin nickel complements the clear glass composition. This version is designed for 1 x G9 up to max. 60 W, bulb not included, not dimmable according to the manufacturer; the dimensions are diameter 7 cm, height 23 cm. The luminaire is intended for indoor use with IP20 protection.
