voltage suitability	230 - 240 Volt
Materials	Glass and metal
Max. power	1 x max. 40W E14 Watt
Power in watts	max. 40W E14 W

Description

The Vistosi Groove pendant lamp is inspired by the precise minimalism of the early 1960s. Regular forms meet softer glass elements, while sliding metal frames create flexible geometries. The diffusers are available in white shaded or white matt finishes, with the frame in anthracite or matt bronze 2.
