Lacrima Pendant Lamp P LED

- 2700K
-

Technical details

Manufacturer	Vistosi
Bulbs included	No
Materials	Blown glass and metal
luminous flux	1500 lm

Description

Lacrima is both a pendant lamp and a decorative design object. Its elongated drop shape in glossy white blown glass gives the room a strong presence, while the satin nickel finish reinforces its refined character. Available as a traditional E27 version for freely chosen bulbs or as an integrated LED version in two colour temperatures and two dimming variants.
