voltage suitability	110 - 240 Volt
Materials	glass, metal
Max. power	77W Watt
Contents of the package	without light source
Base / Socket	E27
Power in watts	77W W

Description

The Vistosi Minigiogali Ceiling Lamp 65Q belongs to Angelo Mangiarotti's Minigiogali series. It uses modular glass elements in white and a metal frame in matt bronze 1. The concrete 65Q version is designed for an E27 light source; dimensions, weight and IP20 rating follow the Vistosi 2025 price-list data.
