Materials	Blown glass, fabric and metal
Max. power	1 x 12W LED Watt
Contents of the package	Luminaire with integrated LED
Power in watts	12W integrated LED W
luminous flux	1500 lm

Description

Plisse combines the charm of classic shaded lighting with contemporary Vistosi glass. A blown-glass diffuser encloses a delicate textile inner shade and is supported by a restrained metal structure. The large G pendant suits dining tables, statement placements and elegant clusters, combining five glass-and-shade finishes with two frame colours plus integrated LED in two colour temperatures and two dimming variants.
