Projection in cm	48
material	metal
dimming	2-position Dimmer
Base / Socket	GY6.35
Power (max. Watt)	50 Watt
light distribution	directly
Dimensions	H 35 cm

Description

The Lumina Daphne Classic is a table lamp, with a perfect combination of sophisticated elegance and practical functionality. The metal bars of the light body are rotatable and swivelable.

The head can be rotated 360 degrees, making it extremely flexible in its applications. The transformer is integrated into the base, in which a two-stage switch is incorporated, with which two levels of brightness can be chosed. The colours black, matt white and nickel are offered. The colours are a real eye-catcher.
