

Lumina

Moove Doppia

Leuchtenschirm

- Ø 42,5 cm cylindrical ivory textile
- Ø 42.5 cm cylindrical textile grey
- Ø 42.5 cm cylindrical fabric black

Technical details

Country of Manufacture	 Italy
Manufacturer	Lumina
Designer	Francesco Brambilla
Protection class / IP rating	IP20
Contents of the package	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
material	aluminum, steel, Textile
Height adjustment	height adjustable
dimming	dimmable on site
Base / Socket	E27
Shade diameter	43 cm
Shade height	21 cm
system performance	2 x 75 Watt (max.)
light distribution	directly
Dimensions	H 30 - 175 cm B 248 cm

Description

The Lumina Moove Doppia pendant lamp convinces through technical refinement. This extremely innovative pendant lamp is very adaptable and it moves in three dimensions. Thus it is shiftable into every direction. This is a perfect solution for rooms where the connector for lamps is not located directly above the dining table or the coffee table as the Moove Doppia simply follows the table. The same is true of extendable tables as it will find the middle of the table without any problems while it is disposable to other areas of the room at the same time.

In contrast to Moove, this Lumina lamp has two shades. The lampshades consists out of fabrics. Due to this design the diffuser enables a directly downwards radiating light as well as a diffuse illumination inside the room. The Lumina Moove Doppia is offered with the lampshades being black, grey or ivory-coloured.
