Contents of the package	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
material	metal, polyethylene
surface	white
color	black
Cable length	240 cm
Height adjustment	height determinable
dimming	dimmable on site
Base / Socket	E27
Power (max. Watt)	25 Watt
total height	290 cm
Dimensions	H 50 cm B 53 cm L 60 cm

Description

The Outdoor Gregg X-Large Sospensione is the largest of the Gregg series for outdoor use. The length is 60 cm and the width 53 cm. Depending on the connection options, the lamp has a protection rating of IP44 (with plug connected) or IP65 (with clamp). With IP44 protection, it is protected against splash water from all sides and solid foreign bodies with a diameter of at least 1 mm. With IP65, the lamp is dust-tight and protected against water jets from any angle. The pendant lamp is made of white satinated polyethylene. The cable can be shortened if necessary. Also a version with a longer cable is offered.
