

Lumina

Flo Wall

Oberfläche

- Metal in satin nickel
- Metallic bronze
- yellow
- gunmetal
- red
- black
- white

Description

The Lumina Flo Wall is the wall lamp belonging to the broad Flo collection. This series is the result of the first cooperation between Lumina and the Design Studio Foster & Partners. Its design is minimalist and timeless with a fine and precise detailing integrated into a slim shape. The Flo Wall consists of aluminium and steel offered with a variety of surfaces and colours. It is either matt coated in black, white, red, yellow, lacquered in metallic bronze, in gunmetal optics (iron-coloured) or in brushed nickel.

The Wall lamp is switched via a push button placed at the lamp head. This switch has two stages being off 100% light intensity or 50% light intensity. The Lumina Flo Wall is connected with the plug included. One 3 watt LED with 2,700 Kelvin is integrated as illuminant. On request you can order this lamp also with a colour temperature of 3.000 Kelvin. If you like to order this article, please specify the Kelvin colour temperature of the lamp under the item Order Review in the field Order Comment.

Technical details

Country of Manufacture	 Italy
Manufacturer	Lumina
Designer	Foster+Partners
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	110 - 240 Volt
Projection in cm	36
material	aluminum, steel
dimming	2-position Dimmer
Wattage	3 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	250
Color temperature in Kelvin	2,700 extra warm white
light distribution	directly
Dimensions	H 15 cm
