Mingus P2 300 cm dusty limestone

Technical details

Manufacturer	Lightyears
Designer	Cecilie Manz
Year of design	2012
Protection class / IP rating	IP20
Contents of the package	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
Diameter in cm	34
material	aluminum
surface	Dusty Limestone
color	light grey
Cable length	300 cm
Height adjustment	height determinable
dimming	dimmable on site
Base / Socket	E27
Power (max. Watt)	70 Watt
Dimensions	H 32 cm Ø 34 cm

Description

The LIGHTYEARS Mingus P2 is a pendant lamp designed by Cecilie Manz. The lamp has a diameter of 34 cm and a height of 32 cm. It looks modern due to its clearly separated areas but it nevertheless forms an organic entity adapting to its surrounding. The surface is influenced by the colours in the surrounding area and this creates an extraordinary image especially when combining several Mingus lamps. The light is mainly direct and warm radiated downwards. However due to a little mount out of acrylic through which the cable is led the light is also radiated discreetly upwards making the cable shine a little bit. This Mingus P2 by LIGHTYEARS is in dusty limestone. It has a suspension of 300 cm.
