

Byok

Squadrina Table Base

Oberfläche

- Aluminum polished
- matt aluminum
- Aluminum black matt
- satin white powder coated

Description

This Byok Squadrina table lamp is a lamp with table base. The stringent shaping and the purist optics are characteristic of the Squadrina Table Base. Due to the rotatable and tiltable base joint and the upper universal joint, this lamp is very flexible. Moreover the upper aluminium profile is turnable on its own axis. The table light is equipped with two LEDs which are dimmed with gesture control. During dimming, the light takes on a warmer colour, changing the light colour of the LEDs from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white.

This table lamp is available in four surfaces. Byok also offers the Squadrina with a table clamp.

Technical details

Country of Manufacture	 Germany
Manufacturer	Byok
Designer	Kai Byok
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
Projection in cm	71
material	aluminum
dimming	gesture control
LED	inclusive
Colour Rendering Index	90
Color temperature in Kelvin	Dim to warm
lamp stand dimensions	length 16, width 16 cm
system performance	2 x 3.6 Watt
Total luminous flux in lm	610
light distribution	directly
Dimensions	H 56 cm B 2 cm
