

Vibia

Wireflow 0325

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Arik Levy
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	110 - 240 Volt
material	aluminum, polycarbonate, stainless Steel
Height adjustment	not height determinable
dimming	1-10V dimmable
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	2,910
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	length 155 cm
system performance	6 x 4.5 Watts
total height	200 cm

Description

The Vibia Wire Flow 0325 is one linearly constructed pendant light with three suspended 6-square lamp elements. This light element has a filigree appearance. Each light element has 2 LEDs with 4.5 watts to ensure a direct, pleasant light output downwards. This pendant lamp is on site dimmable. For the Wireflow 0325, the two outer light elements are suspended increased slightly, while the middle light element hangs a little deeper. The standard total height/length is 200 cm. If the pendant length of the lamp is different, please send us an individual request. The length of the lamp cannot be shortened by the user. The pendant lamp is also offered as a DALI dimmable version on request.
