

Vibia

Wireflow 0330 - 0332

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Arik Levy
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
material	aluminum, polycarbonate, stainless Steel
Height adjustment	not height determinable
dimming	1-10V dimmable
LED	inclusive
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	length 275 cm
system performance	10 x 4.5 Watt
total height	200 cm

Description

The Vibia Wireflow 0330 - 0332 is a linear pendant light. The integrated LEDs with 4.5 watts each provide a direct, pleasant light output to the bottom. The Wireflow 0330 - 0332 can be dimmed by the customer. The lamp is available in two versions, which differ only in the way the 5 lamp elements are suspended from the canopy. With the Wireflow 0330, the outer two light elements and the middle one are suspended lower than the other two. With the Wireflow 0332, the two outer light elements hang highest, the second light element from the left and the second from the right slightly lower and the one in the middle lowest. The lowest light body is in the middle. If the pendant length of the lamp should be different, please send us an individual request. The length of the lamp cannot be shortened by the user. The pendant lamp is also available as a DALI dimmable version on request.
