

Vibia

Cosmos 2510

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Lievore Altherr Molina
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	110 - 240 Volt
material	ABS, polycarbonate, steel
Height adjustment	height determinable
dimming	DALI dimmable
LED	inclusive
Colour Rendering Index	>80
Luminous flux in lm	1,455
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	Length 42 cm, width 28 cm
system performance	3 x 4.5 Watt
total height	200 cm
Dimensions	B 24 cm L 55 cm

Description

The Vibia Cosmos 2510 is a three-lighted pendant lamp, which should remind of a constellation of different moons. The designer team Lievore, Altherr and Molina created this light. Three round, disk-shaped lamp shades made of polycarbonate in various sizes and colours form the lamp.

The two larger lamp shades measure 27 cm in diameter and are green matt or light grey matt. The smallest lamp shade is finally 19 cm in size and dark brown matt. The three lamp shades can be suspended up to a maximum of 200 cm. Three modern 4.5 watt LEDs are included. The lamp can be dimmed on site (DALI, 1-10 Volt or Push). On request, a version is available that is dimmable with Casambi module. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
