

Vibia

Bamboo 4810 - 4815

Version

- surface mounted light
- recessed light

surface

- brown
- khaki
- off-white

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Antoni Arola & Enric Rodríguez
Protection class / IP rating	IP66
Contents of the package	LED
voltage suitability	110 - 240 Volt
material	fiberglass, methacrylate, resin
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	906
Color temperature in Kelvin	2,700 extra warm white
system performance	5 x 2.1 Watt LEDs
Dimensions	H 190 cm

Description

The Vibia Bamboo 4810 is a floor lamp for outdoor use with 2 lighting rods and five light sources. One of the rods has a height of 90 cm, the other one rod has a height of 190 cm. Antoni Arola and Enric Rodríguez have created the design for all lamps of the series. The light is available in the surfaces khaki, brown and off-white.

Five efficient 2.1 watt LEDs are included to ensure a direct, selective light emission. With the protection class IP66, the Bamboo 4810 - 4815 is well protected against splashing water. It is also dust proof. The outdoor light is offered as a recessed lamp or as a light for mounting on the ground. As recessed light Bamboo 4810, it is anchored directly into the ground, but can be converted in combination with the accessory 4815 also to a ground mount light.
