Description

The house numbers Big Number from the house Keilbach are completely made of high-quality stainless steel and are manufactured in many different sizes. Here the house number Big Number 80 is offered with a height of 8 cm and a material thickness of 2 mm. The house numbers are self-adhesive.

A house number should be optimally readable and is also an important design element. Therefore, the selection of the right font is crucial. The font "Eurostile" is used for the Big Number. This was already designed in 1962 by the well-known Italian typographer Aldo Novarese.

You can order the numbers 0 to 9 and the letters a to d from us. When ordering, please enter the desired combination of numbers and letters in the "Comments" field.
