

Byok

Barrone

Oberfläche

- matt black
- matt silver
- white matt

Technical details

Country of Manufacture	 Germany
Manufacturer	Byok
Designer	Kai Byok
Year of design	2013
Contents of the package	LED
voltage suitability	230 - 240 Volt
Diameter in cm	70
material	aluminum
Cable length	300 cm
dimming	on the rod
LED	inclusive
Colour Rendering Index	90
Color temperature in Kelvin	2,700 extra warm white
light head dimensions	9 cm
system performance	2 x 4 x 6.2 Watt
Total luminous flux in lm	4 x 400 lm downwards and 4 x 400 lm upwards
light distribution	directly and indirectly
Dimensions	H 128 cm Ø 70 cm

Description

The Byok Barrone is a modern futuristic floor lamp made of aluminium. The Barrone is available with the surface being either silver matt, black matt and white matt powdered. Eight efficient 6.2 watt LEDs are integrated.

Through head swiveling 180°, the total height will change - so the Barrone converts from standing floodlight to a reading light. In combination with almost any seating, the lamp head on the shoulder of the reader is radiant in a comfortable height and yet within easy reach.

Uplight and downlight are separately switchable and dimmable. With its reading lamps function, it is possible to provide for a disproportionately bright light. The head can be rotated continuously and swivel. The reading light is any situation and reading environment appropriately adjustable.
