- 75
- 90
- 120

Technical details

Country of Manufacture	 Germany
Manufacturer	Anthologie Quartett
Designer	Michael von Jakubowski & Rainer Krause
Protection class / IP rating	IP20
Contents of the package	Leuchtmittel/ Bulb
voltage suitability	110 - 240 Volt
material	aluminum, crystal glass, stainless Steel
surface	polished stainless steel
Cable length	250 cm
dimming	dimmable on site
Dimensions	H 17 cm B 30 cm

Description

The Anthologie Quartett Crystal Rain Pendant Lamp round is designed by Rainer Krause and Michael von Jakubowski. The appeal of this round pendant lamp is in its glossy combination of brilliant crystal glass and a handmade mirror-polished stainless steel structure. Unlike the other lamp Collections Cellula and Jahreszeiten (with diverse hand-polished crystals), the crystal glasses for the light Crystal Rain are machine-polished with a very high standard.

The series Crystal Rain by Anthologie Quartett consists of round and oval pendant, ceiling and wall lights. The diameter of the round pendant lamp Crystal Rain is optional 30, 45, 60, 75, 90 or 120 cm. Note: by using retrofit sockets (G9 or E14), state-of-the-art light sources can also be used in the future. In terms of sustainability, the lamp can therefore shine in its light for many years to come.
