

Licht im Raum

Master LED

Oberfläche

- brushed stainless steel
- Hand-polished stainless steel
- natural brass
- matt black
- black / gold
- white

Description

The Licht im Raum Master LED floor lamp has two long-life LEDs, emitting both downward and upward glare-free light. This floor lamp is equipped with an integrated potentiometer in a small box between the lamp rods with which the brightness can be individually adjusted. Uplight and downlight can be dimmed separately. The light is switched on and off via an on/off switch on the supply line. The lens in light head is swivelable. It is offered in the following surfaces: Brushed stainless steel, hand-polished stainless steel, matt black, white, natural brass and black / gold. The lamp base is always black.

Technical details

Country of Manufacture	 Germany
Manufacturer	Licht im Raum
Designer	Licht im Raum
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
material	brass, stainless Steel
Cable length	240 cm
dimming	Dimming via integrated potentiometer on the lamp
Switchability	on the lead
LED	inclusive
Color temperature in Kelvin	2,700 extra warm white
Lens diameter	100 mm
system performance	2 x 15.3 Watt
Total luminous flux in lm	4,264
Dimensions	H 192 cm B 17 cm
