

Vibia

Flamingo 1510

Version

- gold
- Graphite-grey
- copper
- white

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Antoni Arola
Year of design	2015
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	110 - 240 Volt
material	acrylic, aluminum, methacrylate, steel
Height adjustment	height determinable
dimming	1-10V dimmable
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	1,108
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	16 cm
Shade diameter	70 cm
system performance	2 x 5.6 Watt
total height	200 cm
Dimensions	H 80 cm

Description

The Vibia Flamingo 1510 has a lamp head under the two shades that emits both direct and indirect light. A lamp rod is located centrally in the lamp. The lamp head is attached to the lower end of the lamp rod. The two conical shades are made of translucent methacrylate. They direct the light to the ceiling and additionally reflect a part of the light into the room. The lamp rod, the lamp head as well as the canopy are offered in four versions: graphite-grey matt lacquered, white matt lacquered, gold satin matt and copper glossy. The pendant lamp can be suspended by a maximum of 200 cm. By cutting the cables, the suspension height can be varied as required. On-site dimming of the pendant light is possible. On request also a version is offered, which can be dimmed with a smartphone.
