

Oluce

Alba 383

Version

- brass
- bronze

Technical details

Country of Manufacture	 Italy
Manufacturer	Oluce
Designer	Mariana Pellegrino Soto
Year of design	2017
Protection class / IP rating	IP20
Contents of the package	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
material	metal, opal glass
dimming	cord dimmer
Base / Socket	E27
lamp stand dimensions	length 29, width 29 cm
system performance	2 x 60 Watt (max.)
Dimensions	H 172 cm

Description

The Oluce Alba 383 is a floor lamp with a total height of 172 cm. A lamp arm with a lamp shade is attached to each of the two sides of the lamp rod. On one side of the rod, the shade is at the top of the arm, on the other side at the bottom of the arm. The shades are made of mouth-blown, polished opal glass. The lamp is offered in satin brass or bronze anodised versions. The lamp rod and arms each have the same surface. The lamp emits its light glare-free into the room. A dimmer is integrated in the supply cable. E27 mains voltage halogen lamps or LED retrofit lamps can be used as light sources.
