

Oluce

Berlin 720

Technical details

Country of Manufacture	 Italy
Manufacturer	Oluce
Designer	Christophe Pillet
Year of design	2017
Protection class / IP rating	IP20
Contents of the package	LED 230 Volt
voltage suitability	110 - 240 Volt
Depth in cm	10
Diameter in cm	30
material	brass, glass
dimming	dimmable on site
Base / Socket	E14
LED	inclusive
bulb exchange	on site itself
system performance	2 x 10 Watt (max.)
Dimensions	Ø 30 cm

Description

The Oluce Berlin 720 is a wall lamp that can also be used as a ceiling lamp. The lamp shade is made of anodized brass. The diameter of the light is 30 cm, which makes it the smallest of the wall and ceiling lights from this series. The diffuser is made of sandblasted wire glass, which is produced by continuous rolling or casting. The lamp emits direct light and general room light. The lamp is operated with two E14 LED retrofit bulbs.
