

Vibia

Mayfair 5520

Oberfläche

- green
- orange

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Diego Fortunato
Year of design	2016
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
Diameter in cm	30
material	methacrylate, polycarbonate, steel
Height adjustment	height determinable
dimming	1-10V dimmable
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	2,027
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	16 cm
system performance	1 x 2.4 + 1 x 12.6 Watt
total height	200 cm
Dimensions	H 6 cm Ø 30 cm

Description

The Vibia Mayfair 5520 pendant lamp has a translucent shade which for the most part directs the light directly downwards. In part, the light is also emitted through the shade into the room and upwards, where it is reflected by the wall or ceiling. The lamp is an update of pendant lamps over billiard tables, whereby the designer Diego Fortunato chose a fresh, innovative design. The lamp shade is available in green or orange. In both versions, the light rod is in graphite grey. The pendant light is height settable and dimmable on site with 1-10 volts or Push. A DALI dimmable version or a version with Casambi module is also available on request. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. The Casambi technology also offers the option of switching the light on at specific times via a timer. In addition to this lamp with translucent shade, the Mayfair 5525 with opaque shade and other surfaces is also offered from the series.
