

Stilnovo

Oxygen W1

Oberfläche

- black
- blue
- yellow
- white

Description

Designed by designers Pio and Tito Toso, the Stilnovo Oxygen W1 is the declination of a wall lamp with a minimalist design. The wall mounting, almost imperceptible, supports an illuminating body with a functional profile; the base line flexes slightly upwards, allowing a glimpse of the aesthetically pleasing effect of the weave. The elegance of black is contrasted by the minimalism of white and the vivacity of yellow and pastel blue: polyurethane lamp shades in different colours to satisfy the most sophisticated tastes. Inside, the PMMA diffuser features micro incisions designed to deflect the light beam emitted by the topLED sources arranged circularly on the sides. This is the secret of OptiLight Technology™. The wall light can be dimmed on site with a trailing edge phase dimmer. A DALI dimmable version is also available on request. With an optionally available Casambi module, the wall light can also be dimmed via Smartphone App. A family with unmistakable design, awarded with the Red Dot Award 2017.

Technical details

Country of Manufacture	 Italy
Manufacturer	Stilnovo
Designer	Pio & Tito Toso
Year of design	2017
Protection class / IP rating	IP40
Contents of the package	LED
voltage suitability	230 - 240 Volt
Depth in cm	24
Diameter in cm	35
material	polymethylmethacrylate, polyurethane
dimming	on site dimmable with a trailing edge dimmer
Wattage	17 W
LED	inclusive
Colour Rendering Index	90
Luminous flux in lm	2,021
Color temperature in Kelvin	3,000 warm white
light distribution	directly and indirectly
Dimensions	H 10 cm Ø 35 cm
