dimming	on site dimmable with a trailing edge dimmer
Wattage	46 W
LED	inclusive
Colour Rendering Index	90
Luminous flux in lm	5,010
Color temperature in Kelvin	3,000 warm white
light distribution	directly
total height	200 cm
Dimensions	H 2 cm B 7 cm L 136 cm

Description

The Stilnovo Tablet PX is a rectangular pendant lamp, slender and minimal, with three swivel modules arranged in series. Body in aluminum painted white or black, the LED sources are housed in swivel brackets, also in aluminum (with polycarbonate diffuser) that allow the choice of the orientation of the light, direct or indirect, guaranteeing control at 350 degrees. Steel cables also act as conductors, for an even more minimal appearance, and can be accentuated from the canopy and fixed to the ceiling using special fittings (included). This rectangular and slim lamp is on site dimmable. With an optional Casambi module, the pendant lamp can also be dimmed via Smartphone App.
