Contents of the package	LED
voltage suitability	230 - 240 Volt
material	aluminum, polycarbonate
Cable length	470 cm
dimming	integrated Pushbutton dimmer
Wattage	36 W
LED	inclusive
Colour Rendering Index	90
Luminous flux in lm	4,470
Color temperature in Kelvin	3,000 warm white
light distribution	directly
Dimensions	H 193 cm

Description

The Stilnovo Tablet FL is a design aluminum floor lamp with metal base, white or black finish. Rectangular, slender and minimal in shape, it has two swivel modules in series with topLED sources and polycarbonate diffuser. Controlled at 350°, the light on each support can be directed in all directions or limited to defined portions of the room, acting as ambient light or for relaxation corners. A novelty from 2018 that enriches the family of floor lamps, expanding the range of solutions available and recognizable in the market thanks to the prestigious Red Dot Award 2018.
