

Vibia

Tempo 5762

Oberfläche

- graphite-grey
- creamy white
- green
- red

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Lievore Altherr
Year of design	2018
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
Depth in cm	43
material	aluminum, glass, steel
Cable length	400 cm
dimming	Push button dimmer on the supply line
Wattage	4 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	415
Color temperature in Kelvin	2,700 extra warm white
Shade diameter	25 cm
Dimensions	H 140 cm

Description

The Vibia Tempo 5762 is a wall lamp composed of a stylized profile attached to the wall and topped by a blown glass diffuser that gives the piece a delicate image. Connection with plug. LED light source. Tempo lamps are a design by Lievore Altherr and affirm their presence in vertical planes. Vibia presents for this lamp a disc lamp. All inspired by degrees of luminance and the interplay between opacity, translucence and transparency. All Vibia Tempo wall lamps use LED lighting. The following surfaces are available: graphite-grey, terracotta-red, cream-white and green. All versions are matt lacquered. On request, the wall lamp is also available with connection via wall outlet (Tempo 5763). The standard colour temperature is 2.700 Kelvin warm white, on request the lamp is also available with a colour temperature of 3.000 Kelvin warm white or 4.000 Kelvin white.
