Description

The Marset accessories C3 Djembe 65 are used to assemble three Djembe C 65 ceiling lights together and to connect them to one power supply. This accessory is made of painted iron. With this accessory, also three C 65 light versions with different shade heights can be connected together. In addition to this accessory, versions are also available for connecting two Djembe C 65 ceiling lamps together. Versions are also available for connecting two or three C 42 lamps to one power supply.
