Dipping Light

Oberfläche

- amber
- blue
- green
- pink
- white

Technical details

Country of Manufacture	 Spain
Manufacturer	Marset
Designer	Jordi Canudas
Year of design	2018
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
material	brass, glass
cable color	black
Cable length	200 cm
Switchability	on the lead
Wattage	2.2 W
LED	inclusive
Colour Rendering Index	90
Luminous flux in lm	216
Color temperature in Kelvin	2,700 extra warm white
Shade diameter	13 cm
lamp stand dimensions	6 cm
Dimensions	H 22 cm

Description

The Marset Dipping Light is a table lamp with a shade made of mouth-blown glass. The shade has several layers of colour that merge barely noticeably in concentric circles. The cylindrical lamp base is made of brushed brass. When switched on, the emitted light is differently coloured by the different layers of colour of the lamp shade. Even when the lamp shade is switched off, the different layers of colour are clearly visible. The table lamp is available in pearl white, blue, green, amber and pink. An LED is integrated as a light source. The Dipping Light has a height of 22.2 cm and a shade diameter of 12.5 cm. It is regulated by an on/off switch on the supply line.
