

Decor Walther

Cut 30

Oberfläche

- chrome
- nickel

Description

The Decor Walther Cut 30 is a ceiling lamp with a length and a width of 30 cm each. It is 7 cm high and emits direct light downwards. A diffuser made of glossy white opal glass prevents glare and distributes the light evenly. The lamp is available in chrome or satin nickel finishes. The LED lamp has an integrated LED with a colour temperature of 3,000 Kelvin warm white and can be dimmed on site with a trailing edge phase dimmer. The ceiling lamp has IP44 protection so that it is protected against solid foreign bodies with a diameter of 1 mm or more and against splashing water on all sides.

Technical details

Country of Manufacture	 Germany
Manufacturer	Decor Walther
Designer	Maiken Walther
Year of design	2009
Protection class / IP rating	IP44
