### Description

The Decor Walther Slim 60 N LED wall lamp is 60 cm wide and 2 cm high. It has a depth of 10 cm. This lamp is available in these surfaces: chrome, black matt, white matt and satin nickel. The light is emitted from this lamp simultaneously upwards and downwards. A diffuser made of satined acrylic glass distributes the light evenly and reduces glare. Thanks to the IP44 protection class, the Slim 60 N LED is also suitable as a bathroom lamp as it is protected against splashing water from any direction and against solid foreign bodies with a diameter of at least 1 mm. The integrated LED has a colour temperature of 3,000 Kelvin warm white.
