

Vistosi

Bolle SP G transparent E27

Technical details

Country of Manufacture	 Italy
Manufacturer	Vistosi
Designer	Barbara Maggiolo
Year of design	2003
Protection class / IP rating	IP20
Contents of the package	Leuchtmittel/Bulb
voltage suitability	110 - 240 Volt
Diameter in cm	25
material	crystal glass, metal
surface	transparent
Cable length	200 cm
Height adjustment	height determinable
dimming	dimmable on site
Base / Socket	E27
Power (max. Watt)	77 Watt
Wattage	5.4 W
Version	E27
Dimensions	H 24 cm Ø 25 cm

Description

The Vistosi Bolle SP G pendant lamp has a lamp shade with a diameter of 25 cm and a height of 24 cm. The shade is made of mouth-blown crystal glass. During processing, air bubbles are enclosed in the glass to give the lamp a special texture. This texture multiplies the reflections on the surface. The light is emitted by the lamp both directly downwards and into the room. The Bolle SP G is available in crystal transparent and white. The metal parts of both versions are satin nickel-plated. Halogen E27 and LED versions are offered for this pendant lamp. The halogen E27 version can be operated with halogen lamps or LED retrofits. The LED version has an integrated LED module with a colour temperature of 2,700 Kelvin extra warm white.
