Designer	Mosru Mohiuddin
Year of design	2017
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
material	aluminum
Height adjustment	height determinable
LED	inclusive
Colour Rendering Index	90
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	19 cm
bulb exchange	at the manufacturer / at the factory
total height	140 cm

Description

The Escale Infinity pendant lamp features an LED that runs completely around the curved lamp. This illuminates the lamp itself and at the same time emits diffuse light into the room. This pendant lamp is available in two sizes: 70 cm and 105 cm. Both sizes have a maximum overall height of 140 cm, the cables can be shortened if required. The Infinity is available in aluminum sandblasted and anthracite. The integrated LED has a colour temperature of 2,700 Kelvin extra warm white. The lamp is offered in three versions: dimmable on site with a trailing and leading edge phase dimmer, with Casambi module or with ZigBee module. The version with Casambi module can be dimmed with the Casambi App via Bluetooth by Smartphone / Tablet. The version with ZigBee module can be regulated via voice control.
