

Byok

Grado T 4

Oberfläche

- matt aluminum
- matt black
- white matt

Dimmbarkeit

- DALI dimmable
- Daylight and motion sensor
- Daylight and motion sensor with uplight sensor

Description

The Byok Grado T 4 floor lamp emits light simultaneously upwards and downwards. This two-armed lamp can be attached directly to the furniture or positioned movably with one base. This lamp is available in three versions: DALI dimmable or with an integrated daylight and motion sensor with and without an additional sensor for uplight.

The Grado T 4 is particularly suitable for lighting up to four workstations. In the two versions with daylight and motion sensors, each workstation is assigned to an individual sensor so that each workstation can be illuminated differently. The floor lamp is available in matt anodised aluminum, matt white and matt black. As standard it is supplied with a colour temperature of 3,000 Kelvin warm white, on request it is also offered with 4,000 Kelvin white.

Technical details

Country of Manufacture	 Germany
Manufacturer	Byok
Designer	Kai Byok
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
Projection in cm	298
material	aluminum
Cable length	300 cm
Wattage	174 W
LED	inclusive
Colour Rendering Index	80
Color temperature in Kelvin	3,000 warm white
lamp stand dimensions	50 x 35 cm
Total luminous flux in lm	28,000
light distribution	directly and indirectly
Dimensions	H 204 cm
