Nova

Oberfläche

- aluminum
- brass
- platinum
- black
- bronze
- white

Description

The Holtkötter Nova floor lamp has a two-part lamp head. The outer part emits its light for the most part upwards as an uplight and can be swivelled or rotated. The inner part of the lamp head radiates its light directly downwards as a downlight. The uplight and downlight can be switched and dimmed separately via two push button dimmers on the lamp rod. A memory function saves the last brightness level set for the light and selects it again when it is switched on again. The Nova floor lamp from Holtkötter is available in black, bronze, white, platinum, matt aluminum and anodised brass.

Technical details

Country of Manufacture	 Germany
Manufacturer	Holtkoetter
Designer	Holtkötter
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	110 - 240 Volt
material	metal
dimming	Push button dimmer at the light rod
LED	inclusive
Colour Rendering Index	>90
Color temperature in Kelvin	2,700 extra warm white
lamp stand dimensions	27 cm
light head dimensions	32 cm
bulb exchange	on site itself
system performance	1 x 47 + 1 x 14 Watt
Total luminous flux in lm	9,000
light distribution	directly and indirectly
Dimensions	H 185 cm
