Passepartout wall lamp

Version

- gold
- chrome
- black
- white

Technical details

Country of Manufacture	 Italy
Manufacturer	Cini & Nils
Designer	Luta Bettonica
Year of design	2016
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
Depth in cm	18
Diameter in cm	22
material	aluminum, steel
dimming	on site dimmable with a trailing edge dimmer
Wattage	18 W
LED	inclusive
Colour Rendering Index	95
Luminous flux in lm	2,200
Color temperature in Kelvin	2,800 warm white
Dimensions	H 16 cm Ø 22 cm

Description

The Cini & Nils Passepartout wall lamp has an LED on the back of its ring. This causes the light to be transmitted indirectly to the wall behind the lamp, from where it is partly reflected into the room. The ring has a diameter of 22 cm and is mounted slightly inclined. The Passepartout wall lamp is available in the following versions: white matt, black matt, chrome polished and gold polished. All versions except the gold version have a wall bracket made of diamond-polished aluminum. The gold version is supplied with a matt brass wall bracket. The light can be dimmed on site with a trailing edge phase dimmer. With an optionally available Casambi module, the wall lamp can be dimmed with the Casambi App via Bluetooth using a smartphone / tablet. A cover plate for the junction box is available as an accessory.
