

Ingo Maurer

Flying Flames Downlight

Oberfläche

- chrome
- black

Technical details

Country of Manufacture	 Germany
Manufacturer	Ingo Maurer
Designer	Moritz Waldemeyer & Ingo Maurer
material	aluminum, metal
dimming	Touch Dimmer
Cable length	250 cm
Height adjustment	height determinable
Wattage	7 W
Luminous flux in lm	730
LED	inclusive
Color temperature in Kelvin	2,700 extra warm white
Colour Rendering Index	>95
Protection class / IP rating	IP20
light distribution	directly
Contents of the package	LED
voltage suitability	110 - 240 Volt
Dimensions	H 12 cm B 3 cm L 3 cm

Description

The Ingo Maurer Flying Flames Downlight is an accessory for the Flying Flames pendant lights and is attached to the canopy with a magnet. Up to three Downlights can be hung on a Flying Flames canopy. The Downlight emits its light directly downwards and is available in black or chrome. The light can be dimmed continuously via an integrated touch dimmer. A memory function saves the last dimming setting for the downlight. The cable can be shortened if required.
