Description

The Serien Lighting SML2 Wall 150 has a housing made of white aluminum. This wall lamp is available with different lamp covers. With the lamp covers, the light can either be scattered upwards and downwards (satinée / satinée) or scattered in one direction and, depending on how the lamp is fixed, dimmed downwards or upwards (satinée / raster).

The SML2 wall lamp by Serien Lighting is offered with two colour temperatures: with 2,700 Kelvin extra warm white or with 3,000 Kelvin warm white. An LED is integrated as illuminant, which can be replaced if necessary. Cover plates and mirror adapters are available as accessories.
