

Holtkoetter

Plano WB

Oberfläche

- aluminum
- brass
- platinum
- black
- bronze

Description

The Holtkötter Plano WB wall lamp has a jointed arm which can be individually adjusted. The lamp head can also be swivelled and rotated independently. This allows the light to be directed exactly where it is needed. The jointed arm has a maximum projection of 57 cm. The wall lamp is infinitely dimmable via a push button dimmer on the wall bracket. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as the light source, which can be replaced if necessary. The Plano WB wall light from Holtkötter is available in black, bronze, matt aluminum, platinum and anodised brass.

Technical details

Country of Manufacture	 Germany
Manufacturer	Holtkoetter
Designer	Holtkötter
Year of design	2020
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	110 - 240 Volt
Projection in cm	57
material	aluminum
dimming	Push button dimmer on the wall bracket
Wattage	14 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	2,000
Color temperature in Kelvin	2,700 extra warm white
light head dimensions	12 cm
bulb exchange	on site itself
Wall mount dimensions	13 cm
