

Holtkoetter

Epsilon RR 123cm

Oberfläche

- brass
- platinum
- black
- silver

Description

The Holtkötter Epsilon RR 123cm pendant lamp has a length of 123 cm. Its total height can be adjusted by pushing the lamp upwards or downwards up to a maximum of 150 cm. The light is emitted glare-free and directly downwards. The lamp can be continuously dimmed via gesture control by holding one hand under the lamp. The sensor area for gesture control is located in the centre of the lamp. Thanks to Dim-to-warm technology, dimming changes the light colour of the integrated LED to a warmer tone (from 2,700 Kelvin to 2,200 Kelvin). A memory function saves the last luminous intensity set and automatically selects it the next time the light is switched on. The Epsilon RR 123cm from Holtkötter is available in black, silver matt, anodised brass and platinum. The pendant lamp is also offered with a length of 83 cm or 163 cm.

Technical details

Country of Manufacture	 Germany
Manufacturer	Holtkoetter
Designer	Holtkötter
Year of design	2020
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
material	metal
Height adjustment	height adjustable
dimming	gesture control
Wattage	43 W
LED	inclusive
Luminous flux in lm	4,400
Color temperature in Kelvin	Dim to warm
canopy dimensions	Length 35 cm, width 7 cm, height 6 cm
bulb exchange	at the manufacturer / at the factory
total height	150 cm
Dimensions	L 123 cm
