Description

The Bopp Float is a ring-shaped pendant lamp with a diameter of 40 cm. The ring of the Bopp Float LED pendant lamp has a height of 3 cm and is available in the surfaces aluminium, taupe, black and white. The rectangular canopy of the lamp is 40 cm long, 6.5 cm wide and 5.5 cm deep. The canopy of the Bopp Float is in the same colour as the ring. By pulling or lifting the lamp, the total height of the lamp can be continuously adjusted between 40 cm and 150 cm by means of a lift system. This pendant lamp made of aluminium emits light upwards and downwards at the same time. The light can be controlled touch-free via gesture control, so that not only separate switching and dimming of the up/down light is possible, but also the light colour can be dimmed from 2,300 Kelvin warm white to 5,000 Kelvin cool white.
