

Bopp

Slight swiveling 6-lights

Dimmbarkeit

- dimmable with a trailing edge dimmer and with a leading edge dimmer
- with Casambi module

Description

Bopp Slight LED ceiling lamp is a 115 cm long, 4 cm high lamp made of aluminum. LEDs are integrated in the two outer light elements. These two light elements can be swiveled and are each 50 cm long and 8 cm wide. The integrated LEDs emit light with a color temperature of 2,700 Kelvin extra warm white downward and glare-free into the room. The ceiling lamp Bopp Slight swiveling is in the surface aluminum smoothed. The lamp is available in two versions: dimmable with a trailing edge and phase-angle dimmer or with a Casambi module. With a Casambi module it is possible to control the ceiling light by smartphone or tablet via the Casambi app via Bluetooth.

Technical details

Country of Manufacture	 Germany
Manufacturer	Bopp
