Diameter in cm	10
material	acrylic glass, aluminum
dimming	on site dimmable with a trailing edge dimmer
Wattage	8.5 W
LED	inclusive
Colour Rendering Index	80
Luminous flux in lm	830
Color temperature in Kelvin	2,700 extra warm white
Dimensions	H 6 cm Ø 10 cm

Description

The Bopp One wall and ceiling lamp with reflector ring sloped is made of aluminium, has a diameter of 10 cm and is 6 cm high. The lamp centres the emitted light downwards and creates a special light effect downwards and also on the wall/ceiling due to the surface of the inside of the reflector. The round reflector is available in the following colour variations: outside white/inside gold leaf, outside white/inside taupe, outside white/inside copper leaf, outside white/inside white and outside black/inside gold leaf. The Bopp One wall and ceiling lamp with reflector ring sloped has an integrated LED with an output of 8.5 watts and a colour temperature of 2,700 Kelvin extra warm white. The scope of delivery also includes a cover round with a diameter of 7 cm. This wall and ceiling lamp can be dimmed via the existing house electrics with a trailing edge phase cut dimmer (not included in the scope of delivery). This lamp is also available with a straight or without reflector ring.
