Description

The Steng Big Brigg 1 Halogen has a width of 20 cm and a height of 6 cm. It is 30 cm deep and emits its light upwards and onto the wall. Part of the light is emitted onto the wall behind the lamp and reflected from there into the room. This wall lamp is operated with an R7s halogen lamp. The Big Brigg 1 Halogen is available in the surfaces aluminum and white matt. All surfaces have a fine structure. Other RAL colours are also available on request. In addition to this lamp, the Big Brigg 2 wall lamp is also offered, which emits its light upwards and downwards at the same time, as well as a lamp with integrated LED.
