Big Brigg 2 Halogen

Oberfläche

- aluminum
- white

Technical details

Country of Manufacture	 Germany
Manufacturer	Steng
Designer	Peter Steng
Designer 2	Andreas Steng
Protection class / IP rating	IP20
voltage suitability	110 - 240 Volt
Depth in cm	30
material	aluminum
dimming	dimmable on site
system performance	1 x R7s 230 Watt + 1 x GU10 40 Watt (max.)
Lamp included	no
Dimensions	H 6 cm B 20 cm

Description

The Steng Big Brigg 2 Halogen emits its light upwards and downwards at the same time. The light emitted upwards also partially radiates onto the wall behind the lamp and is reflected from there into the room. The Big Brigg 2 has a width of 20 cm and a height of 6 cm. Its depth is 30 cm.

This wall lamp is operated with a R7s halogen lamp and a GU10 bulb. The Big Brigg 2 Halogen is available in the surfaces aluminum (RAL 9007) and white matt (RAL 9016). All surfaces have a fine structure. Other RAL colours are also available on request. In addition to this wall lamp, the Big Brigg 1 with light emission upwards and a lamp with integrated LED are also offered.
