

Betec

Piano

Technical details

Country of Manufacture	 Germany
Manufacturer	Betec
Designer	Horst Lettenmayer
Protection class / IP rating	IP20
Contents of the package	Board with width of 38 cm, height of 25 cm and thickness of 1.2 cm
voltage suitability	230 - 240 Volt
Projection in cm	19
material	brass
Cable length	400 cm
dimming	Touch Dimmer
Wattage	2.5 W
LED	inclusive
Colour Rendering Index	90
Luminous flux in lm	240
Color temperature in Kelvin	3,000 warm white
Dimensions	B 36 cm

Description

The Betec Piano is an LED music desk light made of brass. Every pianist or organist needs good illumination of his notes. This lamp offers the solution of fixing it to valuable instruments. It is height-adjustable and attached to a velvet-covered black board, thus becoming a music desk. If necessary, the board can be removed so that the lamp can also be attached to a music stand, for example. The lamp is connected via a supply cable with a length of 400 cm. By disconnecting the supply cable, the board with lamp is simply removed and the piano can be folded shut. The lamp head of the Piano can be rotated so that the lighting can be adjusted by the pianist himself. This lamp is ideal as music stand or menu lighting.

The Piano by Betec has a width of 36 cm and is extendable up to a height of 39 cm including the board. The lamp head has a projection of 19 cm. The black board is included in the delivery and has a length of 38 cm and a height of 25 cm. It is 1.2 cm thick. The light source is an LED with a colour temperature of 3,000 Kelvin warm white, which can be regulated via a touch dimmer in the lamp.
