

Lichtlauf

Normajeane Lusso

Oberfläche

- copper
- Silver
- gold

Version

- dimmable with trailing edge phase dimmer
- not dimmable

Technical details

Country of Manufacture	 Germany
Manufacturer	Lichtlauf
Year of design	2015
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
material	aluminum
cable color	transparent
Cable length	200 cm
Height adjustment	height adjustable
Wattage	12 W
LED	inclusive
Colour Rendering Index	90
Color temperature in Kelvin	3,000 warm white
bulb exchange	at the manufacturer / at the factory
Dimensions	H 12 cm B 40 cm L 40 cm

Description

Like a dress in the updraft above an underground shaft, the Normajeane Lusso by Lichtlauf floats above the table and sends powerful, soft light downwards. The shade of this pendant lamp is available in gold, copper and silver. Each lamp is individually formed by hand and unique. The top and bottom of the aluminium lampshade are optionally available hand-applied with gold, silver or copper leaf. The integrated LED with an output of 12 watts has a colour temperature of 3,000 Kelvin warm white. The light of the integrated LED is characterised by very good colour rendering with a high colour rendering index of Ra 90. The lampshade of the Normajeane Lusso is 40 cm wide, 40 cm long and 12 cm high. Due to the handcrafted manufacturing process, there may be irregularities in the leaf-finished surface. This pendant lamp has a 200 cm long transparent cable, which can be shortened if necessary. The height adjustment is made directly on the wire cable. The Normajeane Lusso by Lichtlauf is available as a dimmable or non-dimmable version. On request, this lamp is also available with other pendant lengths.
