

Foscarini

Chiaroscuro

Struktur

- red
- titanium

Technical details

Country of Manufacture	 Italy
Manufacturer	Foscarini
Year of design	2021
lamp base	Ø25 cm
Cable colour	schwarz
cable length	250
Dimmability	cord dimmer
switchability	on the supply line
Power in watts	37 W
LED #	inclusive
Colour rendering index (CRI / Ra)	>80
luminous flux	4730
color temperature (kelvin)	2.700 extra warm white
Protection class / IP rating	IP20
Contents of the package	LED
voltage suitability	230 - 240 Volt
bulb exchange	at the manufacturer / at the factory
Dimensions	H 183 cm

Description

The Chiaroscuro floor lamp has a delicate and visually light body consisting of three half arches with a special triangular cross-section. It is both simple and expressive thanks to its structure, which alternates matt and glossy surfaces made of extruded, liquid-coated aluminium and PMMA longitudinal prisms, ensuring both light transmission and pleasant light distribution. The Foscarini Chiaroscuro reinterprets the classic luminator and enriches it by emitting a strong, indirect light from the LED spotlight at the top, as well as indirect light onto the wall or diffuse ambient light at the sides. The luminaire is available in a dark red or titanium structure. The cord dimmer on the supply cable allows the brightness to be individually adjusted.
